Page Three

We had to put this photo of Dee Dee and Louise in Susie's Saloon on Page Three.

Bianca and Ana in the Stone's Café are no strangers to Page Three of the Stun.

Susanna in CC Muziekcafé got rave reviews last time she flashed her legs on Page Three, so here she is again!

Anna in Player's showed us some of her charms in answer to a request for more sex in the Stun. In the past, we occasionally had photos of scantily dressed barmaids on this page, so the question we're asking in our Facebook Group is: Should we have naked barmaids on Page Three of the Amsterdam Stun again?

The Editor's Bit

I failed miserably in my attempts to get photos of people with birthdays in October, so instead of a Celebrations page, I'll use my Editor's Bit to wish a Happy Birthday to Alan, Alberto, Anne, Anneke, Bailey, Bernard, Brenda, Brian, Bruce, Carol, Caroline, Cassandra, Charlotte, Chiron, Chris, Conner, Cora, Daan, Danny, Danyel, Daphne, Dragon, Eligio, Els, Fred, Frits, Gary, Gavin, Geoffrey, Heather, Hester, Howard, Isobel, Ivan, Jaap, Jackie, Jan, Janice, Jason, Jayden, Jo, Joan, John, Johnny, Jozef, Julius, Karin, Kees, Kenny, Kerstin, Kym, Lamar, Laura, Liam, Lisette, Lonneke, Mak, Marie, Mark, Melanie, Micky, Mike, Monique, Montse, Neal, Nic, Nina, Pim, Remco, Rhadi, Ria, Roger, Roy, Ruben, Russell, Saoirse, Signe, Tony, Vivian, VJ, Zach and Zorro.

Congratulations Dave & Sanne on the birth of your son Tommy. Happy Anniversary Esteve & Montse, Iepe & Els, Peter & Berber.

My good friends Gregorio and Elisa took the plunge and got married last month.

They held the wedding party in their back garden and I was there, along with a lot of familiar faces from the local music and bar scene. I took loads of photos, so it wasn't easy picking the ones you can see on pages 20 & 21.

No Cover Competition again this month; it's Paula (Café Remember) outside Molly

Malone's, where she won the prize for best costume at their Halloween Party last year. She knows it's going to be a hard act to follow.

I collected Elly's ashes from the crematorium last month and took her on a final pub crawl. Molly's was just one of the bars we visited.

On Page Three, I mentioned that we used to have photos of scantily dressed barmaids in the Stun. Coincidentally, I saw Miranda for the first time in years and we went for a drink in the Magpie, where she reminded me that Elly plied her with vodka jelly before stripping off and becoming our first Stunner, 21 years ago.

That's it from me, enjoy your Stun.

THE BARS

Every second Wednesday of the month, Franklin hosts the Sixties Jam in Maloe Melo; bass player Rei was at the last one.

The old rockers were out in force, with Leen and Appie from the Outsiders alongside Maloe Melo owner Jur and regulars Nico and Franklin.

CC Muziekcafé owner René got faithful regulars Nathalie and Giannis to pose with him.

Pedro demonstrated the breath-testers he was hoping to sell in the Flying Dutchman; he was well over the limit, so Tineke refused to serve him any more alcohol.

I made it to Coco's Outback early enough to see Pat, and Adriaan was there too!

Mosquito/Laberinto/Santanico/2Hot2Funk/... bass player Gregorio finally tied the knot with the love of his life Elisa in September and I was privileged to be invited to their wedding party. It's Mike and Anna, again!

A young boy knocked on my door on Halloween night and said, "Trick or treat?" I looked at him and asked, "What have you come as?"

He said, "A werewolf."

I said, "But you're not wearing a costume. You've just got your normal clothes on."

He said, "Yeah well, it's not a full moon yet, is it?"

I just popped over to my Grandma's, and you've got to hand it to her. At 96, she had all the Halloween decorations up, cobwebs and insects in the windows and a skeleton on the couch. She always makes a big effort, but there was no answer... I'll pop back next year.

Me and my girlfriend were going to a Halloween party last year and my girlfriend came down the stairs wearing nothing but boots. I asked her "What are you supposed to be?"

She said, "Puss in boots."

So I went into the kitchen and put a potato on my penis. When I came back out, she asked me, "What are you supposed to be?"

I said, "If you can be puss in boots, then I can be a dictator..."

This Halloween, the only Candy I'm interested in swings from a pole and has daddy issues.

How does a Redneck celebrate Halloween?

Pump kin!

Why didn't the skeleton go to the Halloween party? Because he had no body to go with.

What do goblins and ghosts drink when they're hot and thirsty on Halloween? Ghou-aid!

Why do demons and ghouls hang out together? Because demons are a ghou's best friend!

Why don't ghosts like rain on Halloween? It dampens their spirits!

JOKES

What do you do when 50 zombies surround your house? Hope it's Halloween...

Why do witches use brooms to fly on? Because vacuum cleaners are too heavy.

What happened to the guy who didn't pay his exorcist? He was repossessed.

What do you call someone who puts poison in a person's corn flakes? A cereal killer.

What is a vampire's favourite holiday? Fangsgiving.

What did the skeleton say to the bartender? I'll have two beers and a mop.

What did Dracula say after reading all these jokes? They suck!

BEING FRANK ON FOOTBALL

Sam Allardyce has no one to blame but himself. He says so rather reluctantly and I say so too and far less reluctantly, and why? Well, because in his eyes, three million quid a year was not good enough to stop the greed and after waiting for what seemed like a life-time to get the job, he has become the shortest serving England manager in football history and good riddance!

I have no time for the man and nor it seems does former England forward and Match of the Day analyst Alan Shearer, who says that his actions have made the Football Association the laughing stock of the world!

It was bad enough getting booted out of the 2016 European Championships by minnows Iceland without this debacle and Shearer says he feels angry and ashamed. Allardyce was exposed in an undercover operation by The Daily Telegraph and the greedy old fool took the bait, hook line and sinker!

The day after the night before, he faced the press before jetting off to his chill-out holiday retreat and said solemnly, "Actually I was only

doing it for a friend." How very noble of him! What he failed to mention was that he stood to gain 400,000 pounds himself in the process - just for representing this bogus Far East consortium!

Allardyce claimed that he thought he was helping agent Scott McGarvey get his hands on the 260,000 pounds a year job offer when he met with reporters posing as businessmen in the hotel.

He was trapped when secretly filmed discussing with journalists how easy it was to "get around" the rule prohibiting the third-party ownership of players, which was recently described by disgraced former Fifa president Michel Platini as "modern day slavery". And

surely he knows a thing or two?

So after the Football Association was left with egg on their faces yet again, they hurriedly installed Gareth Southgate as their interim coach for the next three World Cup qualifying matches and a friendly with Spain in mid-November. Interestingly, only three weeks ago Southgate had said that he thought

the England job “wasn’t something I have got the experience for”. All I can say then is that he better learn fast!

In the long term though, who will replace the shady Lancastrian? In truth, if we look at the top of the Premier table, there are very few good ENGLAND coaches.

I would think that Chelsea, Liverpool, Arsenal, Tottenham and Manchester United are all safe - unless of course the FA decide to go foreign again!

If that was the case, then Arsene Wenger would be the obvious choice. He has had huge success with Arsenal over the last 20 years - although admittedly recently his trophy cabinet has remained largely bare.

Louis van Gaal has also said that he would be interested in the job if asked. “Why Not? They have hired an Italian and a Swede before, so why not a Dutchman? My credentials speak for themselves. I am a winner at club and at international level and have good communication skills so what are they waiting for? I am the man for every season.” I guess it would be an interesting choice, but judging by his more recent managerial experiences at Manchester United, not someone who would want to play expansive football.

Steve Bruce or Eddie Howe or even Glenn Hoddle are possibilities, but in the case of Hoddle I doubt that the Football Association would risk him again because the last thing the organisation needs now is risk taking!

IN THE BACK

Former Amsterdam resident Peter was bemoaning the lack of old faces in the Flying Dutchman. What did he expect? Most of his old crowd have either gone back to their home country, like him, or moved to Thailand!

It was hard saying “no” to friends wanting a photo with me last month, so here are some of them, starting at Gregorio & Elisa’s wedding, where Luis grabbed me just after I arrived.

After her last shift in Molly’s, Eibhlin asked if we could recreate the photo I took of her with cousin Nuala on her first shift back in May. How could I say no?

I could never refuse a request from Tania.

If you think Jet’s dress looks dazzling, you should have see the shoes!

Leonie caught me passing the kitchen and got Miguel to take a photo.

In Durty Nelly's, Phil wanted a photo with Eoin and Elaine, and one with me, but that would be too much Phil, so we compromised.

I blame Rauli and Emily for this glut of 'me' photos; they dragged me behind the bar when I delivered the last Stun to the Waterhole.
